1. How is Ad Kids different from Kids.com?

As we explained, AD KIDS has NO affiliation Kids.com. All that we can address are the business practices of AD KIDS. It would be unethical to make commentary on Kids.com's business practices. We welcome specific questions about our business.

2. How many kids does Ad Kids represent?

AD KIDS represents approximately 700 children.

3. How many kids that Ad Kids represents have received paying work through AdKids?

As we explain to all prospective and current clients, there is a very small rate of success in the modeling industry. We do have children that have worked and have been paid.

4. How many kids that Ad Kids represents who have received paying work through

Ad Kids have earned more than \$595?

The exact earnings of our clients are strictly confidential.

5. Finally, does Ad Kids uphold the ethical standards of the Talent Managers

Association Code of Ethics?

After reviewing the Talent Managers Association's website and their code of ethics, we believe that we adhere to an even higher standard of ethics.
