RE: On Track Modeling, Inc.

Dear Mr. Ecksmith:

Barbara Fillion of the Consumer Protection Division wrote to you on November 2, 2001, and notified you that it appeared your company needs to be registered as a Private Personnel Service with the North Carolina Department of Labor. To date, we have received nothing from you indicating that On Track Modeling, Inc. is registered. The North Carolina Department of Labor also has no records indicating that your company is registered.

We have also received a number of complaints against your company from the Better Business Bureau. These complaints indicate that On Track's sales practices may be deceptive in enticing consumers to sign contracts with On Track.

In light of these problems, we would like to meet with you at our office in Raleigh to discuss resolution to the problems. We would like to arrange the meeting during the week of March 11. Please contact me at 919-716-6000 at your earliest convenience to set up this meeting.

Sincerely,

Harriet F. Worley  
Assistant Attorney General
