Just a heads up! Please beware of the "modeling agency" Alpha Model Group. They are going to scam you out of a lot of money. I have been signed with them for 11 months and I haven't even been called about a job. When I called them they told me to check the website for plus-sized listings that never appeared. I am a plus-sized model and they drew me in with the promise of some big deal they were working on with "hanes her way-plus" It was all a lie. Be smarter than me and don't waste hundreds of dollars for a couple of photos and a headache. Beware of ads that talk about a full spectrum agency located in the sandalon bldg, in Roswell,GA. That's Alpha Model Group's location. Also, I'm not the only one complaining. I have met numerous models on jobs that I have gotten myself who were scammed by Alpha Model Group. Just thought you all should be informed before you sign your money away. Good luck in your careers and God Bless.

this is in or around talent gigs
